5-Piece Drawer Fronts

Standard Slab Drawer Front

Optional 5-Piece Drawer Front

Modify Drawer Front to Raised or Recessed

MDRP

Add elegance to any kitchen by modifying from a standard slab drawer front to an optional 5-piece drawer front that matches your 5-piece door.

Without Mouldings

With Mouldings

Creative Mouldings

Mouldings Turn a Plain Kitchen Into a Designer Kitchen.

Creative mouldings transform cabinets into furniture. Crown mouldings and wall bottom mouldings frame your entire design with a finished look that a true custom kitchen exemplifies.

Stacked Mouldings customize your design further by combining mouldings, fillers and/or riser mouldings (see cross sections).

See more examples of creative mouldings in our Catalog under "Accessories, Trim."
