

HUNTWOOD[®] wood in its finest form

Huntwood turns dream kitchens into reality.

SKYLINE, Cherry, Brazilian Accent Cabinets: Cherry, Ridgestone

INSTANT ACCESS

From lazy susans to pull-out spice and can racks... roll-out shelves to waste baskets and recycle bins... we provide the ideal solution for every storage need.

THE KITCHEN YOU'VE BEEN DREAMING OF

You have a vision of a home that is uniquely yours, so you need a cabinetmaker with the expertise to make that vision a reality. Huntwood offers a level of flexibility and customization previously unavailable in this industry. And best of all, a Huntwood kitchen will help make your home distinctive, so it will stand out from the rest.

MORE PERSONALIZATION

No matter what your budget is, Huntwood will help you realize your dreams by offering the nation's widest range of

door styles, wood species, colors, glazes, special finishes, distressing, door overlays, edge profiles, and mouldings.

OPTIMIZING CONVENIENCE

Huntwood makes it easy for you to design "outside of the box." The

sky is the limit when you make use of the industry's largest selection of convenience cabinets, custom modifications, accessories and hardware.

A higher standard of green.

ENVIRONMENTAL STEWARDSHIP

Huntwood's 567,000 sq.ft. plant is the most environmentally friendly cabinet facility in the world. We only work with companies committed to sustainable resources and use only non-urea added formaldehyde plywood and particleboard. Excess materials are recycled, with 80% reused in future applications.

PUT YOUR TRUST IN THE LEADER

Why do builders and homeowners choose Huntwood over other cabinet brands? Because for three decades we have provided our customers with **more flexibility** and **more choices**. And, as the West's leading custom cabinet manufacturer, our volume buying power and high-tech efficiency produce **more value** for our customers.

BUILT TO LAST

We use quality materials and components that many manufacturers offer only as upgrades. At Huntwood, no two kitchens are alike, each kitchen is built to order.

LIFETIME LIMITED WARRANTY

Experience the Huntwood difference; quality you'll enjoy for years to come – and a warranty that provides peace of mind.

LASTING TOUCH™ FINISH

Huntwood's exclusive 12-step conversion varnish finishing process is the toughest finish in the cabinet industry! This award winning process features 33% more solids, plus four cycles of both sealer and oven baking, providing the ultimate in durability.

SUPERIOR FINISHING PROCESS

Huntwood's conversion varnish finishing system is not only safer for the environment, it reduces the amount of "off-gassing" normally associated with new cabinetry. This process won the SCAPCA Clean Air Award for its ultra-low VOC (Volatile Organic Compound) emissions.

Living Rooms

Nothing warms up a room like rich woodwork. Start with a beautiful mantel... add bookcases, cabinets, columns, moulding, speakers... you name it! There is no limit to what you can accomplish, because Huntwood has the design solution.

HUNTWOOD is known as “the entire home cabinet-maker” for our ability to follow a defined design theme throughout a home. From home offices to master baths... home theatres to wine cellars... nothing says “custom” like rich woodwork and custom built-ins.

A place for everything and everything in its place. A master closet’s storage solutions allow you to stay organized and fashionable.

Convenience cabinetry can improve the efficiency of your new utility room while creating a visually pleasing work environment. A well-

ALLURING SOPHISTICATION

Stacked wall cabinets, with glass doors above, accentuate the open feel of this grand kitchen. The contrasts between dark and light cabinetry; cool stainless steel against warm lighting and organic wood flooring; create instant eye appeal. Neutral solid surface countertops tie this cohesive look together.
